

Gear Required for CTA/NRA Courses

Required for All Courses

- ***CTA Experience Form-Filled Out*** (First-time students only) & ***CTA Waver-Signed***
- ***Hearing Protection*** (We suggest inexpensive electronic earmuff style, available at most gun dealers for under \$30. This enables you to clearly hear instruction while protecting your hearing.)
- ***Eye Protection*** (You can find inexpensive safety/shooting glasses at most gun dealers or you can purchase safety glasses at Lowes and many other retailers. If you wear prescription eyeglasses they will suffice. If you wear bifocals or trifocals, if you have a pair of single vision glasses bring those.)
- You may want to bring a Notebook & Pen
- Dress appropriately for the season (For your safety on the range - NO tank tops or shirts/tops that would allow a spent casing to go down the front of your shirt or blouse , NO open toed shoes/ sandals or high heels)
- You may bring drinks and snacks for the breaks. (However, for hygienic reasons food should not be consumed at the range.)

NRA/CTA 1st Steps PLUS & NRA Basic Pistol Shooting Course

(We will provide pistols and ammunition throughout the course. You may bring your own pistol for use after the basic course material is covered, however, you are not required to bring a pistol.)

If you **choose** to bring your own pistol, for the optional portion of the class please bring the following:

- Pistol & Case
- Pistol Owner's Manual
- Magazines (For semi-auto)
- Ammunition (You should only bring 20 or 30 rounds, as time will be limited for the optional portion of the class.)

CTA Handgun 201 & NRA Personal Protection Inside the Home Course

(These course requires a prerequisite of either the NRA 1st Steps Course or NRA Basic Pistol Shooting Course. Generally students attending this course have already purchased a pistol and have practiced with it.) (Suggested minimum 9mm, .380 or .38 caliber - NO .22 or .25 caliber)

- Pistol & Case
- Pistol Owner's Manual
- Minimum Two Magazines (For semi-auto) Speed loaders (For revolvers - Optional)
- Ammunition (**Minimum** 200 rounds per student)

CTA Concealed Carry & Personal Protection Fundamentals 101

(This course requires a prerequisite of either CTS's HG 201 or the NRA PPIH)

- Pistol & Case
- Holster (***Must be a quality strong-side holster that covers the trigger!***)
- Pistol Owner's Manual
- Minimum Two Magazines (For semi-auto) Speed loaders (For revolvers - Optional)
- Ammunition (**Minimum** 300 rounds per student)
